

NOTICE

PER / 1502 / 2022 (I)

29.09.2022.

This is to inform you that BCPL is migrating to GeM (Govt. e-market place) / CPPP for all procurements by November 2022.

In case, any material not available on GeM, will be procured through CPP Portal mandatorily.

In the mean while, all the vendors/suppliers of BCPL are requested to get themselves registered on GeM as well as on CPP Portal at the earliest.

This would help in migrating the procurement through GeM / CPPP in a simple and transparent manner.

The detailed instructions for user organisation registration, listing of products, terms and conditions, on-line bidding etc. are available on the respective Portals viz GeM or CPPP.

(Arindam Bandyopadhyay)
